

SCHOOL NOTES

6

Several pupils have been absent from the Intermediate room the past week on account of tonsillitis. Leonard Haugen has been out of school for two weeks with pneumonia. His schoolmates will be glad to know he is now recovering.

The Physical Geography class took its second field trip Friday. They visited the new valley east of town, noted meanders, a miniature delta and a typical piece of granite containing quartz, feldspar and mica.

The manual training boys are framing one dozen pictures of President Wilson.

The Drawing class has spent the past week on architecture.

A base ball game will be played next Saturday between Hannaford and Cooperstown.

Mrs. Odell has been in charge of the Primary room a part of the past week.

The Juniors entertained the Seniors and teachers Friday night. At eight o'clock automobiles called for the guests and the early part of the evening was spent in riding. The company then went to the home of Mr. and Mrs. P. A. Thoreson where a delicious two-course supper was served. The table was tastefully decorated with pink and white streamers from the electric lights to the table. A large lily formed the
