The Grammar Room has received an exhibit of grape-nuts, Post Toasties, Postum and Tavern Porridge from the Postum Cereal Company of Battle Creek, Mich. This exhibit shows the various steps in the manufacture of these articles.

The collection taken up for the Orphans' Home in Fargo amounted to \$7.87: High School, \$4.50; Grammar Room, \$2.15; Intermediate Room, \$2.50; Primary Room, 72c.

Anna Stone and Tilly Cederson have been absent from school for some time on account of illness.

The pupils of the Primary Room are making calendars for 1915.

Clarice Hagar is a new pupil in the second grade.

Wednesday evening the boys got out on the grounds where the skating rink is to be and cut down the grass. Friday evening the sides were banked up. Everybody seems interested in the rink and we boys are glad to lend a hand when necessary. We surely are thankful to the Commercial Club for their support.

The children of the intermediate room have started practicing for the Christmas program.

Last Thursday evening the Adelpi Literary Society gave the following very interesting program:

Song—Girls of the Intermediate Room
Paper—The Peace Movement,

Inez Jackson
Violin Solo—Prof. Coddington

Debate: Resolved that the government should own and operate all telegraph and telephone lines—

Pupils of the 4th year English class
Question Box—Johnny Sorenson

Solo, De Las' Long Res'—Chas. Brown
Critique—Miss Lykken

Owing to the fact that some of the material for the debate came too late the debate was turned into extemporaneous speeches on the question. The debate will be taken up later.

Visitors at the Literary Society program Thursday evening were: Mesdames Lunde, Coddington, Brusegaard, Almklov, Leiser and Miss Mary Larkin.
