

Last week in publishing the list of Griggs county men who were among the first one hundred drawn for military service, four names were unintentionally omitted from the list published in The Enterprise. Those four were: In 37th place No. 652 Herman Theon, Farwell, Minn.; in 38th place No. 739 Lee Otis Harris, Karnak; in 42nd place No. 513, Arthur Venhinzon, Wimbledon; and in 68th place No. 645, Milton Smith, Hannaford.
