

Supt. Kampen Retires

Cooperstown Sentinel-Courier:

I. A. Kampen, county superintendent of schools for the past ten years, retired from office the first of the year. Mr. Kampen, during his incumbancy of the office, made a record that he may well feel gratified over. No superintendent in the history of the county worked harder, accomplished more or left the schools in better condition. The Sentinel-Courier congratulates him upon his record, knowing that we but express the feeling of all who have had opportunity to judge of his work.

Mr. Kampen retired voluntarily. He was not a candidate for re-election. He felt that he had been long enough in the office. Had he desired to continue in the office it is more than likely that the voters would have been glad to keep him there.

Mr. Kampen is succeeded by Miss Tena Regner, who had been the deputy superintendent for several years. Miss Regner is well qualified for the work, and we hope that she may have a long record of success when she finally determines to retire. Miss Regner's sister, Miss Vinnie Regner, has been appointed to the deputyship.
