
TELEPHONE CO. PROSPERING

Dazey Commercial: A. J. McInnes, manager of the Central North Dakota Co-operative Telephone company, with its head office at Dazey, reports for this year of the business was reached last month. The number of toll calls handled were 4,025. This means an average of 133 calls each day, or something more than ten calls for every hour.

The "Central N. D." has been having a steady growth ever since its organization. During the past summer many new phones have been installed in various parts of its territory added improvements have been made here and there, and without a doubt this company is destined to be one of the largest of its kind in the state.
