

Henry Robinson, oldest son of H. H. Robinson an old pioneer of Griggs county, has enlisted in Co. B, 217 Battalion, C. E. F., and will leave this month for England and in due course of time will be on the battle-line "somewhere in France." Henry was born in Ball Hill township about nineteen years ago, but removed to Canada with his parents eight years ago. For some time he has been studying law at Regina and passed with honor, and when his country called he enlisted and will soon be on his way to the front. Henry was well known among the young people of this community and his numerous friends here will wish him good luck and immunity from German shot and shell.
