

Sentinel-Courier: On Monday of this week H. P. Hammer purchased Alex Urquhart's 400-acre farm two miles out of town, the consideration being \$18,000. Mr. Hammer will take possession March 1, 1917. Mr. Urquhart, it is said, contemplates going out to Dooley, Mont., or that neighborhood to open a new home. The Urquhart family has been identified with this community since the pioneer days and their large circle of friends will regret to have them leave, if such should be their decision.
