## Judge Coffey's Majority

Nearly complete returns from the entire judicial district have been received and show that Judge Coffey was nominated by 1200 majority over A. P. Paulson of Valley City.

Judge Coffey carried every city but Valley City, and every town and village but Sanborn and there the vote was a tie.

The result of the primary election is very gratifying to Judge Coffey, and is an indication of the high esteem in which he is held throughout the district. — Jamestown Capital.
