Daze Commercial: James Nelson, oldest son of Mr. and Mrs. Henry Nelson who live northeast of Daze, died at his home Tuesday evening from pneumonia following an attack of Spanish influenza.

Jimmie as he was known to his friends and acquaintances was only confined to his bed a few days. The entire family had been sick and Jimmie remained up doing the work and taking care of the rest. He did not seem to realize his own serious condition in his efforts to aid the others. When at last he could get up no longer and was forced to go to bed, it was found that pneumonia had a deadly hold on him and the case was hopeless.

A short funeral service was held Thursday and the remains were laid to rest in the cemetery at this place. The sympathy of the entire community is extended to the sorrowing relatives in their bereavement.
