

Bartley News

The K. K. Klub will meet with Mrs. Archie Coen Wednesday afternoon, November 19th. Final arrangements will be made concerning our sale and dinner at that time.

The house on the farm occupied by James Francis burned to the ground on October 5 and but very little of the furniture was gotten out. Mr. Francis did not have his household goods insured. The Klub ladies are doing some sewing for Mrs. Francis and the children, and help is being given the family from other sources as well.

Owing to the snow which made it impossible for the ladies to run their own autos, the Sewing School on October 27, 28, and 30, was not very largely attended. Miss Hobart was not able to come, as we expected, but Mrs. Lillian F. Beard, a former graduate of the A. C., proved to be a very able and willing substitute; and I am sure all the ladies who were able to persuade their men-folks to bring them were well repaid for their efforts to be present as often as possible.

On account of the uncertainty of the weather and the bad roads, it has been decided that the Klub will serve a Thanksgiving Dinner at one o'clock Saturday afternoon, November 22nd, in the Bartley Consolidated school house, the dinner to be followed by the sale of the articles, both plain and fancy, that the Klub has been making during the past summer. An invitation is extended to all to come and enjoy a good dinner and a sociable time together and at the same time help a good cause along. Remember the time and the place (Saturday, Nov. 22, 1:00 P. M. at the Bartley Consolidated Schoolhouse) and BE SURE to be there.
