

Chas. G. Bergren to Manage Store
McHenry Tribune: On Wednesday, April 23, Chas. Bergren and assistants started invoice of the stock contained in the hardware store conducted by Mr. Frank Lucht, prior to transfer to the new organization just completed.

Mr. Bergren will be manager for the McHenry Co-operative Co., recently organized, and will take charge as soon as the transfer is made, which will be as soon as inventory is finished.

Mr. Bergren comes highly recommended and is a man that can be depended upon, as he has had a number of years of experience in the hardware business before coming to McHenry, having resided in Hannaford a number of years; during which time he was employed by the various hardware and furniture firms of that city and by whom he is well recommended. He has been employed by Haugen-Peterson Co., up to the time of acceptance of his present position.

Mr. Lucht has extensive farming interests near McHenry and will devote his entire time to farming. He has been in the hardware business for a number of years, and while the business fraternity regret losing Mr. Lucht, we know they will be glad to extend the right hand of fellowship to his successor, Mr. Bergren.

The firm is composed of representative farmers and is incorporated under the laws of the state of North Dakota as a mercantile and shipping business, with a capital stock of \$20,000.
