(Received too late for last week)

Agnes and Melvin Krokum left for Fargo last Friday to visit their mother who is ill at one of the hospitals there.

Henry Palm spent last Saturday at the Dover School. While there he made several improvements.

An epidemic, unknown to the Wimbledon doctor, is prominent in the community. Several of the school children have been ill, but are now rapidly improving.

Mr. and Mrs. William Hauge with two of Mrs. Hauge's brothers, who have been spending the past week in Dover, went to Sutton on Friday. They spent the week end at Mr. Hauge's sister, Mrs. Emil Fadness, who resides a short distance from town.
