

## List of Local Soldier Boys Wanted

In order that we may be able to accurately complete our service flag to date and also that we may have an accurate record for future reference, the undersigned committee is attempting to establish an accurate record of the present and some of the more recent Hannaford boys who either volunteered or were called into the service. The following list is printed that the community may join with us in attempting to get the record accurate. Kindly notify the undersigned of any errors or omissions. And also communicate to the committee the dates of enlistment in order that the stars may be placed in the proper order on the service flag.
