HIGH SCHOOL NOTES

Margaret Hovland, Editor-in-Chief
 State Board Examinations are on
 this week for entertainment.

Word was received last week
 that Dr. Bowers of Fargo, who was
 to give the Graduation Address here
 on Friday evening, June 4th, had
 moved to Colorado and therefore
 would be unable to present the com-
 mencement address. A. D. Weeks
 of Fargo has consented to take his
 place. Because Mr. Weeks leaves on
 the 9:18, please remember that the
 services start at 7:30 sharp, instead
 of 8:00 p. m. as before stated.

The Junior Senior Banquet was
 given at the Ladies Hall last Friday
 evening. The hall was beautifully
 decorated in Pink and White. The

lights were also covered with pink
 crepe paper and the result was a soft,
 warm, red glow. The table, set for
 fourteen, was decorated with carnations
 and ferns. At 9:30 a delicious
 three-course supper, which fully did
 credit to the Juniors, was served,
 after which the Seniors gave a yell
 for the Juniors. Some time after-
 wards the guests departed, each
 bearing, as a token of the evening, a
 beautiful pink carnation and a fern
 branch. The Juniors surely did
 their share towards making the
 evening a success, and we greatly
 appreciate their efforts. Here's hop-
 ing that the Seniors of to-morrow
 will have as smooth a path to travel
 as the Senior Class of '20 has enjoy-
 ed.

Notice the following schedule for
 Commencement Week
