Ladies who wish to sew for the Red Cross can meet at Karnak either Tuesday or Thursday afternoons from 2 to 5 o'clock the one most convenient. All work must be in by the 20th of each month.—Mrs. Wickham, Chairman, Women's Work.

We hope every lady in this vicinity will put forth an effort to be present with willing hands at each meeting. I heard one lady say she put off a two weeks' washing, another ruined a baking of bread, one came and worked with fingers crippled with rheumatism while another stopped a washing to get there. Now unless you have a more important and better excuse than these ladies had, try to help with this Red Cross sewing.
