

An interesting case was tried in Olof Johnson's Justice Court yesterday, in an action brought by Julius Larsen to oust Christ Klink, a renter from a farm that Mr. Larson had just bought. The plaintiff was represented by Attorney M. W. Murphy of Fargo, and the defendant by Attorney A. P. Paulson, of Valley City. Geo. J. Jacobson of Walum and J. E. Jacobson of Dazey were present as witnesses. Justice Johnson decided the case in favor of the plaintiff.
