

Lars Pederson and family left last Tuesday for Hoosick Falls, N. Y., where they will visit at the Kjeldgaard home. Mr. Pederson is planning on purchasing a farm in New York State if he can find anything suitable. About the time of the sale this fall a large number of the friends of the Pederson family gathered at their home for a pleasant time together, and as a token of remembrance they were presented with a set of silverware. Their many friends are sorry to see this estimable family leave the community, but will wish them success in their new home.
