A Liberty Meeting was held in the Walum Hall Friday evening for the purpose of promoting the sale of the third issue of Liberty Bonds which are to be offered by the government in a short time. Attorney John Sad and Dr. R. D. Benson of Hamnford, and Rev. Morange of Dazey were the speakers for this occasion. These gentlemen covered the ground very thoroughly, urging the people to subscribe for as much of the loan as possible, also to give freely to the Red Cross and Y. M. C. A. war funds. Meetings of this nature are being held all over the nation at this time and it has been claimed by men who are actively in charge of the work that the loan will be heavily oversubscribed. Let us not fail to make the expectations of these men come true. Your country needs your help. Be patriotic. Do your bit and let us go over the top.

The 43 men left Cooperstown in a special car and on arrival at Walum the men were presented with cigars and candy by the local Red Cross branch. Griggs county sent a fine looking bunch of young men to the nation's army.
