Mr. and Mrs. Nels Olson arrived home from Fargo Monday where Mrs. Olson has been at St. Lukes hospital for the past six weeks and where she underwent a successful operation.

Mrs. Harry Stai of Hannaford has been visiting at the Elmer Wallum home the past few days.

Ben C. Stromme has been on the sick-list for a short time.

Some of the young men of the town are planning on fixing up a tennis court here, and we are expecting to see some interesting games here this summer.

E. W. Everson left Thursday for Grafton, N. D., on business.

The Third Liberty Loan drive is on. See that you get your share of the bonds.

A light rain followed by snow fell Friday night and was welcomed by the farmers. This will certainly do wonders for a crop starter.

It seems Walum has some good material for a home base ball team this year, and it might be well for those interested to get together and talk it over. Possibly we might be able to give some of our neighboring towns a few mighty interesting games, and perchance carry home some honors. In this connection it might be well to remember the work of the Red Cross and stage a few games for its benefit.
