Does your child have a bank account? What a child learns in the cradle, lasts to the grave. Cultivate the saving habit in your children by starting a small bank account for each of them. Teach them to save their pennies. Couldn't you have taken advantage of better opportunities if you had started saving as a child? Don't make the same mistake your father did, but bring your children to our bank and start them on the road to a successful life today. Farmers State Bank of Walum

Opportunities for men of character are not hard to find. A bank account is an evidence of character and a bank book showing regular deposits is the passport to opportunity and the key to success. Enroll yourself as a depositor and become a member of the "Opportunity Club." Don't forget that the bank account is the first step toward success and fortune; protects your family in emergencies; educates your children; makes you independent; gives you a standing in the community; is a valuable aid in any enterprise undertaken anywhere by anybody under any conditions. One dollar will start a bank account with us. Farmers State Bank of Walum.
