The Christmas Tree and Entertainment held in the Walum Hall Friday evening, Dec 27th, by the Walum Union Sunday School was well attended and proved a success. A free for all collection was taken up to help the starving Syrians and Armenians as was done by all the Sunday Schools of the land at Christmas time. Forty-two dollars and forty cents being collected for this fund. It has been said by those in charge of this relief work that five cents will buy a meal for a starving child in these unfortunate countries, and Walum evidently did her share by contributing 848 meals which will reach the suffering Armenians and Syrians by the time they have their Christmas.
