Can you do it every day, 55 turns every minute? No, and if you have a Sharples Suction Feed Separator you don't have to, for it skims equally clean at any speed you turn. But with every other separator, you must turn the crank at just exactly the speed stamped on it or you will lose cream. Ask Campbell Bros. at Walum. They will let you try it.

Misses Lela Campbell and Eva Campbell spent the time between trains at Cooperstown Tuesday.

Our methods are thorough and conservative, our resources abundant and our stability and trustworthiness beyond question. We will look carefully after your banking interest and treat you with every courtesy and consideration. Why be a "put off?" Call today and let us start you on the road to prosperity. Let that money that is now in your pocket earn you some interest tonight. Farmers State Bank of Walum.
