Friday evening, May 21st in the Walum Hall, Big Basket Social for the benefit of the Walum School. Ladies, won't you please bring baskets, and the gentlemen will kindly attend with your lady friend and your pocket book. Big time.

A basket social will be given in the Walum Hall Friday evening May 21st for the purpose of raising funds with which to have the school building wired for electric lights. This will be a good improvement and will be especially convenient when programs are given in the evening. The cause is a worthy one and the ladies are urged to turn out in large numbers with well filled baskets, and the men—well if you are a man you know your duty. Turn out then, every one. Let's put it over. Help the school and those who are managing the affairs of the school. Co-operation counts.
