CAMPBELL & SABIN.

We beg leave to announce to the settlers of Griggs and Foster counties that we have opened an office at Cooperstown where we are prepared to do a

GENERAL LAW, LOAN AND LAND BUSINESS.

We practice in all the courts of Dakota and before The Land Department at Washington.

Mr. Campbell is an experienced lawyer of several years standing and has just left a position as clerk of the Fargo U. S. Land Office, which position he accepted for the express purpose of obtaining a thorough knowledge of all land questions.

Mr. Sabin has been for the past three years a member of the U. S. survey corps on their work in Western Grand Forks, Nelson, Griggs, Foster and Wells counties, and was one of the surveyors in towns 145 and 147 of ranges 59 and 60.

WE MAKE OUT ALL

LAND OFFICE PAPERS

necessary to obtain a patent, including Filing Papers, Final Proof or Contests. Our facilities for a Successful Issue to Contest Cases cannot be better, as Mr. Campbell, who has charge of the Fargo office, will be in Fargo at all times and we are thereby enabled to have personal supervision of all cases entrusted to our care.

OUR LOAN DEPARTMENT.

We are the general agents of the "Fargo Loan and Trust Co.," and we can make

Statistics recently published show that there are two hundred and eighty-four occupations followed by women in Massachusetts. There is an excess of many thousand females in that state.

To keep an appointment to be married George Warrell of Rapid City swam the flood-swollen Spring creek with a rope around his body, and with the help of men on the bank drew his clothes and two saddles, one for the lady, over on a raft. The horses were then towed over with the rope. The procession then formed again and moved on to the bride's residence. Genuine Dakota love suffers no delays.
