CAMPBELL & SABIN.

We beg leave to announce to the settlers of Griggs and Foster counties that we have opened an office at Cooperstown where we are prepared to do a

GENERAL LAW, LOAN AND LAND BUSINESS.

We practice in all the courts of Dakota and before The Land Department at Washington.

Mr. Campbell is an experienced lawyer of several years standing and has just left a position as clerk of the Fargo U. S. Land Office, which position he accepted for the express purpose of obtaining a thorough knowledge of all land questions.

Mr. Sabin has been for the past three years a member of the U. S. survey corps on their work in Western Grand Forks, Nelson, Griggs, Foster and Wells counties, and was one of the surveyors in towns 145 and 147 of ranges 59 and 60.

WE MAKE OUT ALL

LAND OFFICE PAPERS

necessary to obtain a patent, including Filing Papers, Final Proof or Contests. Our facilities for a Successful Issue to Contest Cases cannot be better, as Mr. Campbell, who has charge of the Fargo office, will be in Fargo at all times and we are thereby enabled to have personal supervision of all cases entrusted to our care.

OUR LOAN DEPARTMENT.

We are the general agents of the "Fargo Loan and Trust Co.," and we can make

LOANS ON FINAL PROOFS

as reasonably as any firm in this or any other county. Office over Dr. Newell's Drug Store.

Our neighbors of Foster county pray to be organized and have their officers appointed, by the governor, from commissioners down to constable.

Architects can bid on the Dakota capital building up to noon July 5.

The law allows the governor to remove the records from Yankton when he deems best, but it is supposed they will remain there till the new capital is ready for use.

According to the report of James Bayne, government statistician in Dakota, wheat is making splendid progress, and its condition as compared with last year is one hundred and fifteen per cent. His estimates will put the yield of the territory at 20,000,000 bushels, which is higher than has been claimed.

Chicago Inter-Ocean: The young cities of Dakota which made the gallant and plucky fight for the capital will note the fact that but few places where the capital has been located in any state have been commercially important. Politics and business do not seem to thrive together well in the same bed. It is questionable whether they have not made Bismarck pay well for what to them would have been of no small value. It will doubtless advance town lots temporarily, but the simple fact of the presence of the capital will not be able to meet and contend successfully for the mastery of trade.
