

**TUTT'S  
EXPECTORANT**

It is composed of Herbal and Mineral products which permeate the substance of the Lungs, expectorates the acid matter that collects in the Bronchial Tubes, and forms a soothing coating, which relieves the irritation that causes the cough. It cleanses the lungs of all impurities, strengthens them when enfeebled by disease, invigorates the circulation of the blood, and braces the nervous system. Slight colds often end in consumption. It is dangerous to neglect them. Apply the remedy promptly. A test of twenty years warrants the assertion that no remedy has ever been found that is as prompt in its effects as **TUTT'S EXPECTORANT**. A single dose raises the phlegm, and the inflammation, and it is especially curative of the most obstinate cough. A pleasant cordial for children take it readily. For Croup it is invaluable and should be in every family. In 25c. and \$1 Bottles.

**Some "Bleated Bondholders."**

The semi-annual payment of interest on registered United States bonds, which occurs in January and June, is now being made. While it is very difficult to obtain exact information as to the largest receivers of interest from this class of United States bonds, yet, like almost anything else here, it can be had if one wants it badly enough. This year the largest single bondholder the treasury department knows of is Mr. Vanderbilt, who will receive the interest on \$27,000,000. A year ago he had \$50,000,000, but he has disposed of \$13,000,000 for some purpose. The next largest owner is Mrs. A. T. Stewart, who has about \$30,000,000. As some of hers are coupon bonds, the amount of her holding cannot exactly be told. Ten years ago Mr. A. T. Stewart had \$40,000,000 in bonds, the most of them being 6's. Mr. Gould has \$13,000,000 in registered bonds and a large number of coupon bonds, which he keeps to use as collaterals in Wall street when he needs large sums of money. A California millionaire, Mr. Flood is the next largest holder. He has \$15,000,000. Then there is an estate in Boston and three or four persons in New York would have each \$10,000,000, and a lady in New York, unmarried, too—has \$8,000,000, and the estate of Moses Taylor in New York has \$5,000,000 and D. O. Mills, Whitelaw Reid's father-in-law, \$4,000,000. I was surprised to learn that so many wealthy men held any large amounts of United States bonds as permanent investments, but was told that the rate of interest is now so low that other securities are preferred that are considered just as safe and pay higher in interest.

On the other side of the water American securities are very popular and far preferred to those of other nations, because the rate of interest is higher than that paid by any other greater power. The house of the Rothschilds owns nearly one-quarter of America's whole bonded debt, as, including all the bankers of that name, they have \$400,000,000. Baron Leopold and Sir Nathan Meyer de Rothschild each own \$30,000,000, and the head of the Vienna house has \$25,000,000 in his own right. The reason I have heard of their putting such extraordinary amounts into American bonds is that political and social systems are every day becoming more and more uncertain in Europe, and therefore, if a general break-up should occur on the Continent or in England, enough would be left in the securities of the Great Republic to make them all very comfortable indeed. Lady Hannah de Rothschild, who married the Earl of Rosebery a year or two ago, brought to her really impoverished husband \$20,000,000 in American 4 1/2's. I sincerely hope the rather priggish young earl (whose attempts at marrying an American heiress were notorious, and whose treatment of a charmingly clever young lady in New York was outrageous) appreciates his not very handsome but thoroughly good wife without her bonded attractions. Baroness Burdett-Coutts-Bartlett has \$20,000,000 of our 4 1/2's, the Duke of Sutherland and \$5,000,000, and Sir Thomas Brassy \$5,000,000. I learn that the Queen was asked a year or two ago, when she had some money to invest, if she did not want some United States bonds, and that she declined with more peremptoriness than courtesy. When the Rothschilds took the French loan of 1872, and helped France to pay the milliard of Germany forced on her, the firm borrowed \$60,000,000 francs in gold upon \$100,000,000 in United States bonds, the first time in their history that so large a sum was loaned on the promise to pay another country than that directly treating.—Washington Herald.

**ASHBURNHAM, MASS., Jan. 14, 1880.**  
I have been very sick over two years, and was given up as past cure. I tried the most skillful physicians, but they did not reach the worst part. My lungs and heart would fill up every night and distress me very bad. I told my children I never should die in peace until I had tried Hop Bitters. I took two bottles. They helped me very much indeed. I took two more; and am well. There was a lot of sick folks here who saw how they cured me, and they used them and are cured, and feel as thankful as I do.

Mrs. JULIA G. CUSHING.  
**BATTLE CREEK, MICH., Jan. 31, 1880.**  
I have used seven bottles of Hop Bitters which have cured me of a severe chronic difficulty of the kidneys, called Bright's disease by the doctors.

**WALHEND, KANSAS, Dec. 8, 1881.**  
I write to inform you what great relief I got from taking your Hop Bitters. I was suffering with neuralgia, dyspepsia, nervous debility, and woman's troubles. A few bottles have entirely cured me, and I am truly thankful for so good a medicine.

**CECILIA BAYOU, TEXAS, Oct. 28, 1882.**  
I have been bitterly opposed to any medicine not prescribed by a physician of my choice. My wife, fifty-six years old, had come by degrees of disease to a slow sun-down, and doctors failed to benefit her. I got a bottle of Hop Bitters for her, which soon relieved her in many ways. My kidneys were badly affected, and I took twenty doses, and found much relief. I sent to Galveston for more, but word came back, none in the market, so great is the demand; but I got some elsewhere. It has restored both of us to good health, and we are duly grateful.

**Yours, J. P. MAGEE.**  
**NEW BLOOMFIELD, MISS., Jan. 2, 1880.**  
Gents—I have been suffering for the last five years with a severe itching all over. I have used up four bottles of your Hop Bitters, and it has done me more good than all the medicines that they could use on or with me. I am old and poor, but feel to bless you for such a relief from your medicine and torment of the doctors. I have had fifteen doctors at me. One gave me seven ounces of solution of arsenic; another took four quarts of blood from me. All they could tell was that it was skin sickness. Now, after these four bottles of your medicine, I am well, and my skin is well, clean and smooth as ever.

**MILTON, DEL., Feb. 10, 1880.**  
Being induced by a neighbor to try Hop Bitters, I am well pleased with it as a tonic medicine, it having so much improved my feelings, and benefited my system, which was very much out of tone, causing great feebleness for years.

**KALAMAZOO, MICH., Feb. 2, 1880.**  
I know Hop Bitters will bear recommendation honestly. All who use them confer upon them the highest eulogiums, and give them credit for making cures—all the proprietors claim for them. I have kept them since they were offered to the public. They took high rank from the first, and maintained it, and are more called for than all others combined. So long as they keep up their high reputation for purity and usefulness I shall continue to recommend them—something I have never before done with any other patent medicine.

**J. J. BABCOCK, M.D., & Druggist.**  
**KANOKA, MO., Feb. 9, 1880.**  
I purchased five bottles of your Hop Bitters of Bishop & Co., last fall, for my daughter who had been sick for eight years, and am well pleased with the Bitters. They did her more good than all the doctors or medicines she has taken, and have made her perfectly well and strong.

**GREENWICH, FEB. 11, 1880.**  
Hop Bitters Co.: Sirs—I was given up by the doctors to die of scrofulous consumption. Two bottles of your Bitters cured me. They saved my life and I am grateful.

**GREENWICH, N. Y., Feb. 12, 1881.**  
Hop Bitters are the most valuable medicine I ever knew. I should not have any mother now, but for them.

**LONE JACK, MO., Sept. 11, 1879.**  
I have been using Hop Bitters and have received great benefit for liver and kidney complaint and malarial fever. They are superior to all other medicines.

**CLEVELAND, O., Oct. 28, 1879.**  
My better half is firmly impressed with the idea that your Hop Bitters is the essential thing to make life happy.

**B. POPE, Secretary Plain Dealer Co.**  
**SPRINGFIELD, ILL., Sept. 3, 1880.**  
Gents—I have been taking your Hop Bitters and received great help from them. I will give your name as one of the cured sufferers.

**Yours, Mrs. MARY F. STARR.**  
**GREENADA, MISS., Nov. 3, 1879.**  
My daughter, now a young mother, is using your Hop Bitters, and is greatly pleased with the beneficial effects on herself and child.

**D. D. MOORE, Proprietor New South.**  
**SANDERSON, PA., Nov. 6, 1879.**  
Dear Sir—I have used four bottles of your Hop Bitters and they have cured me. I had diarrhoea, dyspepsia, and chronic inflammation of the bowels, and was giddy in the head and nervous.

**FRED THURSBERGER.**  
**PAULING, OHIO, Feb. 2, 1880.**  
Gents—Have used two bottles of Hop Bitters in my family and think them the best medicine ever made.

**Geo. W. POTTER, Banker.**  
**BATTLE CREEK, MICH., Jan. 31, 1879.**  
Gentlemen—Having been afflicted for a number of years with indigestion and general debility, I used Hop Bitters, and they afforded me almost instant relief. I am glad to be able to testify in their behalf.

The blood is the foundation of life, it circulates through every part of the body, and unless it is pure and rich, good health is impossible. If disease has entered the system the only sure and quick way to drive it out is to purify and enrich the blood. These simple facts are well known, and the highest medical authorities agree that nothing but iron will restore the blood to its natural condition; and also that all the iron preparations hitherto made blacken the teeth, cause headache, and are otherwise injurious. BROWN'S IRON BITTERS will thoroughly and quickly assimilate with the blood, purifying and strengthening it, and thus drive disease from any part of the system, and it will not blacken the teeth, cause headache or constipation, and is positively not injurious.

**Saved his Child.**  
17 N. Eutam St., Baltimore, Md. Feb. 12, 1880.  
Gents:—Upon the recommendation of a friend I tried BROWN'S IRON BITTERS as a tonic and restorative for my daughter, whom I was thoroughly convinced was wasting away with Consumption. Having lost three daughters by the terrible disease, under the care of eminent physicians, I was loath to believe that anything could arrest the progress of the disease, but to my great surprise, before my daughter had taken one bottle of BROWN'S IRON BITTERS, she began to mend and now is quite restored to former health. A fifth daughter began to show signs of Consumption, and when the physician was consulted he quickly said "Tonics were required," and when informed that the elder sister was taking BROWN'S IRON BITTERS, responded "that is a good tonic, take it."
