U. S. Surveyor.

CAMPBELL & SABIN.

We beg leave to announce to the settlers of Griggs and Foster counties that we have opened an office at Cooperstown where we are prepared to do a

GENERAL LAW, LOAN AND LAND BUSINESS.

We practice in all the courts of Dakota and before The Land Department at Washington.

Mr. Campbell is an experienced lawyer of several years standing and has just left a position as clerk of the Fargo U. S. Land Office, which position he accepted for the express purpose of obtaining a thorough knowledge of all land questions.

Mr. Sabin has been for the past three years a member of the U. S. survey corps on their work in Western Grand Forks, Nelson, Griggs, Foster and Wells counties, and was one of the surveyors in towns 145 and 147 of ranges 59 and 60.

WE MAKE OUT ALL

LAND OFFICE PAPERS

necessary to obtain a patent, including Filing Papers, Final Proof or Contests. Our facilities for a Successful Issue to Contest Cases cannot be better, as Mr. Campbell, who has charge of the Fargo office, will be in Fargo at all times and we are thereby enabled to have personal supervision of all cases entrusted to our care.

OUR LOAN DEPARTMENT.

We are the general agents of the "Red River Loan and Trust Co.," and we can make

LOANS ON FINAL PROOFS as reasonably as any firm in this or any other county. Office over Dr. Newell's Drug Store. COOPERSTOWN, DAKOTA.

Five thousand bushels of new wheat from different sections recently arrived at St. Louis, and some of it sold at \$1 a bushel.

The wheat crop of Illinois this year is estimated at 18,000,000 bushels. The prospects now are that Dakota will more than equal those figures. In some former years Illinois has gone as high as 45,000,000.

As every year passes by it shows the farmers of Dakota that careful tillage of the soil pays here as well vs in the east. A gentleman who has been over the Valley much this year stated to an Argus reporter the other day that on the average those who had carefully prepared their land, and had put in good seed, would receive a yield twice as large as where the work was slovenly done.—Argus.

Oscar Wilde is lecturing in London upon his experiences in America, and speaks of the American girl as a "pretty oasis of unreasonableness and a desert of common sense."

Poker is rapidly becoming quite the cake in fashionable circles. A young man who would hold the esteem of his lady, must now know the relation of a "straight" to a "full hand," and the difference between a "jack pot" and a "bob-tail flush." And the young lady, well, unless she is ready to "blow in" her seal-skin sack, her jewelry or her back hair, she can hardly be considered a "thoroughbred."
