NOTICE.—U. S. Land Office, Fargo, D. T., July 23, 1883. Complaint having been entered at this office by Peter Stewart against Ole Rasmussen for abandoning and also for failing to make any improvement or settlement on the land embraced in his Homestead Entry No. 1110, dated July 18, 1882, upon the northeast quarter in s. 1/4 section 6, township 144, range 60, in Griggs county, Dakota, with a view to the cancellation of said entry; the said parties are hereby summoned to appear at this office on the 12th day of September, 1883, at 10 o'clock a. m., to respond and furnish testimony concerning said alleged abandonment.

U. S. Land Office, Fargo, D. T., July 18, 1883. Warren J. Sprague, who filed D. S. No. 1123 on October 21st, 1882, for the n. e. 1/4 of section 14, township 146, range 58, alleging settlement July 28th, 1881, and on November 17th, 1882 gave notice that you would make final proof and payment for the land January 17th, 1883, and Knud Knudson filed D. S. No. 1100 for said tract on the 7th day of April, 1882. Said Knud Knudson now appears and alleges that you are attempting to make final proof and payment to fraud of his rights; that he made the above described H. E. for the n. e. 1/4 of section 14, township 146, range 58. That he erected a dwelling and stable and dug a well upon said tract during the summer of 1882, commencing improvements about the end of May, 1882; that he has since moved to the city to work; that he moved into the same with his family and has ever since continued to reside therein; that he expects to prove that the said Sprague did not settle as he alleges and had no substantial interest in the land at the time Knud Knudson's Homestead entry upon said tract; that he (the said Knudson) never made a bona fide pre-emption settlement upon said tract nor did he ever make any improvements thereon. These allegations of Knud Knudson are corroborated by Mike M. Age and Even Mohson, who also allege that the said Warren Sprague did not settle up on said tract on July 28, 1881, and that there were no improvements of any nature made thereon until the early winter of 1881, when Knud Knudson was in the employ of one R. C. Cooper, or Cooper Bros. of Cooperstown, in said Griggs county, D. T., and using teams believed to be said Cooper's teams, hauled a small board shanty on to said tract which shanty was used all of the winter of 1881 and 1882, as a stable for the team or teams believed to be said Cooper's, that on the 7th day of April, 1882, said shanty was the only evidence of improvement upon said tract, and that the same was subsequently destroyed by fire and in an unimprovable condition, and the said Mike M. Age and Even Mohson further state that the said Warren J. Sprague settled on the said tract on the 28th day of September, 1881, and that the said Knud Knudson erected a dwelling on said n. e. 1/4 section 10, township 146, range 58, about the end of May, or early part of June, 1881, and moved thereon with his family and has ever since continued to reside therein; that he (the said Knud Knudson) also erected a stable, dug a well, done some breaking up on said tract during the summer of 1882, and that he and his family are hereby summoned to appear before the Register and Receiver of the above land on the 29th day of August, 1883, at 10 o'clock a. m., and give testimony in support of your said claim to the land to which you claim the right of yourself, Knud Knudson and the government of the United States to the tract may be determined.

Go West, Young Woman. Miss Flora Dippo of Windsor, Wis., has returned home after spending six months in pre-empting a western claim that cost her \$200. She has already declined an offer of \$1,500 for it. Some months ago Miss Flora, who is only twenty-three and of a good family, having been seized with the Dakota fever determined to locate a "160 acre pre-emption." To do this she was required to squat six successive months on one hundred and sixty acres. She packed her grip-sack and started alone for Aberdeen, where she made an application for a location. She hired a team, drove about six miles southwest, located and returned to Aberdeen, purchased lumber and put up a shanty, and with only a little girl as her companion lived the six months here. Then returned to Aberdeen, proved up her claim, and came home. When asked whether she was not afraid to stay alone, her nearest neighbor being two miles distant, she replied that she had a "six shooter" and a big Indian bowie knife. Occasionally she would be awakened by the howl of a prairie wolf.—Exchange.
