ODEGARD & THOMPSON,
 Cooperstown, North Dakota.

Matters Mixed.

The Dakota school for deaf mutes, at Sioux Falls, has reopened.

It is estimated that Dakota contains 35,000 people from Wisconsin alone.

An artesian well company, with a capital stock of 75,000, has been formed at Bismarck.

Cass county estimates her wheat crop at 6,000,000 bushels this year. Pretty good for a frontier county.

Mrs. Dan Kirtbridge, living near Ojata, Grand Forks county, gave birth to two girls and a boy recently.

Bill Nye has resigned the office of postmaster at Laramie, and will make his home in Hudson, Wis.

David Davis says he is forever out of politics, and will devote the remainder of his days to domestic joys.

Miss Mary Ulley of Carrington had both legs broken by being thrown from a carriage by a runaway team.

Augustus H. Hurd of Bismarck has obtained a divorce from his wife on the ground that she is a common scold.

Cargill's elevator at Portland was burned last week with 30,000 bushels of wheat in store. Total loss, \$40,000 or \$50,000 with an insurance of \$20,000 on the building.

It is a mean wretch who will slyly drop a hair-switch in a car loaded with women, and then smile as he sees every woman make a grab for the back of her head when she notices it.

Wheat is eighty cent a bushel at Gretna in Manitoba, and eighty-eight cents at Neche in Dakota. These are the frontier towns on the new through railroad, and only two miles apart. This is one reason why North Dakota is filled with Canadian settlers.

Ten years ago two hearts were separated by a little quarrel owing to the miscarriage of an explanatory letter. He went west and married; she stayed east and married, and now both are once more free. He has eight children and the jaundice, and she seven and the dyspepsia, and neither has any idea of marrying again.

A Casselton merchant, standing in front of his store on Tuesday morning, counted fifty-three steam threshers within the range of his vision all at work, and turning out the No. 1 Hard at an average rate of 1,500 bushels per day, or a total of 96,500 bushels per day, and this, of course, does not comprehend all the threshers at work within sight of the city, as there are many that could not be seen.—Reporter

Should the postmaster general succeed in crushing the Louisiana lottery he will confer a lasting favor upon the credulous dupes who annually pour their hard-earned wages into the money bags of its owner. The institution should be destroyed root and branch. It has fastened itself upon the vitals of Louisiana, and it seems impossible for the state to crush it. Let us hope, however, that the federal government will succeed better.
 —Louisville Post.

THRESHING!
 in the very best manner. We have a new steam thrasher and will guarantee all our work.
