McLean county has been organized, with her county seat at Washburn.

Lakota, the county seat of Nelson county, is to have a \$2,500 at once.

Lisbon comes to the front with an alleged rich gold find. Lucky Lisbon.

The average yield of wheat in the vicinity of Pierre is claimed to be thirty bushels to the acre.

Mrs Hymus Eastman, of Leon, N. Y., is now her own mother-in-law, having just married her deceased husband's father who is seventy-two years of age.

The prohibition amendment in Ohio lacked some 30,000 or more votes of a majority, but came near enough to stimulate the enthusiasts on the subject to further effort.

The Bismarck Tribune says there is apparently a large immigration east from the Pacific states and territories. They are coming to look at the many inducements offered in Dakota.

Remarks the Lisbon Clipper: "If all the Michigan people in Dakota were to return to their old homes it would swell the state till she'd bust. They are here thick as snowflakes in January.

"There are souls in my church so small," said Mr. Talmadge to a reporter, "so infinitesimal, so mean, that fifty of them could dance a schottische on the point of a cambric needle without touching each other."

The commercial business of Bismarck is not as large as it was before the Northern Pacific was built westward from the Missouri river. The completion of the road has also cut down the river business to comparatively small figures.

A Brooklyn girl went into court after a recent lover and testified that she had received no less than 83,000 kisses from her defendant. Notwithstanding this bountiful supply of the needful to a girl's happiness, she is broken-hearted because her lover chooses to leave her.

According to Mormon figures, in the last six months 781 Mormons have died, 2,300 Mormon children have been born, and the Utah membership numbers 127,294, distributed in 23,000 families. The most astounding item is the number of new members, 43,040, an increase of 20 per cent.

Chicago Inter-Ocean: One eighteenth part of Dakota has been set apart for educational purposes. These lands cannot be sold for less than \$10 per acre, and large tracts, it is thought will bring more. They aggregate 5,500,000 acres, and are valued at \$82,500,000. There will be no use for ignorance in the great wheat land of the future.

That Casselton has some married women who don't approve of husbands being out at night is indicated by this from the Reporter: "A party of half dozen ladies one night last week arrayed themselves in men's attire and made a raid on the domicile of a certain grass widow in the western part of town, whither the irate matrons were suspicious their liege lords were wont to hie away of nights."

Gov. Ordway has pardoned Durham, who was convicted in 1878 for the murder of Chris Hoffman in the Black Hills, and sentenced to twenty years imprisonment. The conditions are that he shall leave the territory and not return.
