CHICAGO WEEKLY NEWS AND THE Cooperstown COURIER for \$2.50 PER ANNUM.

The CHICAGO WEEKLY NEWS is recognized as a paper unsurpassed in all the requirements of American Journalism. It stands conspicuous among the metropolitan journals of the country as a complete News-paper. In the matter of telegraphic service, having the advantage of connection with the CHICAGO DAILY NEWS, it has at its command all the dispatches of the Western Associated Press, besides a very extensive service of Special Telegrams from all important points. As a News-paper it has no superior. It is INDEPENDENT in politics, preventing all political news free from partial bias or coloring, and absolutely without fear or favor as to parties. It is in the fullest sense, a FAMILY PAPER. Each issue contains several COMPLETED STORIES, a SERIAL STORY of absorbing interest, and a rich variety of condensed notes on Fashions, Art, Industries, Literature, Science, etc., etc. Its Market Quotations are complete and to be relied upon. It is unsurpassed as an entertaining, pure, and trustworthy GENERAL FAMILY NEWSPAPER. We republish here from the columns of the WEEKLY NEWS a few of the voluntary commendations it has received:

WHAT OUR SUBSCRIBERS SAY
 About the "Chicago Weekly News" when they renew their subscriptions.
 William Cannon, Pontiac, Oakland County, Mich. says: "I think it is the best paper in America."
 L. A. Welch, Fall River, O. says: "It is better than many of the \$2 papers."
 James P. Malone, 233 St. Charles street, New Orleans, La. says: "In comparing your paper with others I receive, I must say yours, the CHICAGO WEEKLY NEWS, is good, better, best. I would sooner miss a meal than a number of the NEWS. It is the newspaper of the day. It is true to its name."
 Alfred P. Foster, Waukegan, Henry County, Ill. says: "It is one of the cleanest papers published."
 W. W. Rhodes, Adrian, Mich. says: "I don't want to miss a number. It is the best paper for news I have ever seen."
 Peter Lamsz, Istenia, Saunders County, Neb. says: "I like THE WEEKLY NEWS. It is full of readable and valuable news, and although I am in receipt of one weekly journal, I am constrained to adopt THE WEEKLY NEWS as No. 1, because of its non-partisan attitude in politics, giving me the unvarnished truth concerning the actions of all political parties."
 M. K. Thompson, Palmyra, N. Y. says: "It is the cheapest and best paper I ever read."
 Mrs. L. Robinson, Hannibal, Mo. says: "I like your paper very much. I get six other papers, but don't like them as well as THE WEEKLY NEWS."
 W. H. Law, Mansfield, Tex. says: "I am highly pleased with the NEWS, for I get both sides of a question fairly set forth, which is utterly impossible to get in a strictly party journal of either side."
 The above extracts are sufficient to show to what esteem the CHICAGO WEEKLY NEWS is held by its old subscribers.
 Our special Clubbing Terms bring it within the reach of all. Specimen Copies may be seen at this office.

CONSULT DE-BUTTS
 Dr. De-Butts, of the Medical College of the State of New York, has discovered a new and powerful remedy for the cure of all the diseases of the bladder, kidneys, and prostate gland, such as Gonorrhoea, Stricture, Catarrh, etc. It is a simple, safe, and effective remedy, and is sold by all the leading druggists. Send for a copy of the book, "De-Butts' Remedy," which contains full particulars of the disease and its cure. Price, 25 cents. Address, Dr. De-Butts, 100 Nassau Street, New York.

One Thing and Another.
 The discovery has been made in San Francisco that some of the Chinamen there are owned, and have been bought and sold as slaves.
 John Sherman and Blaine have reached an understanding. Sherman will get the nomination if he can and so will Blaine. They are very fond of each other.
 Emma Bond is engaged to marry a Colorado stock raiser named Adams, and it is expected the wedding will take place when the trial of her outragers is concluded.
 Frank James is out on bail. Governor Crittenden takes strong ground against the erring United States for attempting to take him from the state while he is under indictment in the Missouri state courts.
 Says a leading business man: "If the corn made into whiskey in America was fed to cattle, your twenty cent steak could be bought for ten cents; and if the hides from the cheaper beeves were made into shoes, you could buy your shoes from seventy cents to a dollar a pair. Every drink you take makes this less likely to happen."
 It is promised that the ice palace to be built in Montreal for the carnival this winter shall be larger and loftier than that built last season, but some of the Canadians are protesting against the whole business, saying that it will tend to represent Canada to possible European immigrants as a fearfully frozen region.
 Steele county gets this very proper shoulder hit from the Portland Inter-Ocean:
 "The Hope Pioneer came out last week with a warning to tax payers, admonishing them to pay their taxes at that place if they wish to save themselves trouble. The Pioneer sees that Steele county is on its last legs, dying a natural death, and consequently tries to keep up appearances by boldness, but the intelligent tax-payers will not be bull-dozed, consequently they refuse and ignore the authority (?) of the fraudulent county officers. Traill county is to-day what it was before the election and Griggs county ditto, and those are the proper counties to receive the taxes."
