Death of Judge Waite of Mankato.

Hon. Franklin Waite died in Mankato, Blue Earth county last Tuesday, the 4th, aged seventy-one years. Judge Waite was born in Windham county, Vt., in February, 1813. When a boy he moved with his parents to Jamestown, N. Y. He, early in life, showed a preference for the profession of law, and at the age of twenty-three was admitted to practice in the supreme court of the state of New York. Five years later he was appointed judge of the court of common pleas, which profession he held until that office was abolished. During Polk's administration he was the postmaster at Jamestown. Afterward he moved west and located in Fond du Lac, Wis., where he practiced in his profession. He went to Mankato in 1860. In 1867 he was elected to the state senate, and in 1869 he was elected judge of the Sixth judicial district of this state and for five years he filled that position most impartially and satisfactorily, and with distinction. Ill health caused him to resign.

Kidney Complaints.

The kidneys form a very important channel for the outlet of disease from the system, carrying off accumulations that poison the blood. As the lungs remove the carbonic acid, the liver the biliary acid, so the kidneys remove the uric acid. The undue accumulation of this acid is the poison that often produces rheumatism and other chronic diseases. The kidneys are often affected and cause serious disease when least suspected. If there is weakness, heat or pain in the back or loins, weariness, nervous restlessness, and any unnatural condition of the urine, a hot dry skin, and hectic flushes, bloating of the body or swelling of the limbs, annoying headaches, obstructed circulation, with sediment or gravely or albuminous deposits in the secretion from the kidneys; or if that secretion be either extremely pale or high colored, then the kidneys are evidently not doing their natura work. Many suffer from serious kidney trouble without knowing what ails them. No matter in what form the kidney complaint may exist there is no better purifying regulating diuretic and tonic, than Burdick's Blood Bitters; its action upon the kidneys is at once manifested. Working upon this and all other channels of purification in a prompt and permanent manner.

Death of Kenneth Raynor.

Hon. Kenneth Raynor, solicitor of the treasury died in Washington on Wednesday. Mr. Raynor was a native of North Carolina. His home was in Raleigh, until called to Washington by President Hayes, who appointed him to the position he had since held. Politically, he was an old line-Whig before the war, but for many years past he had been identified with the republican party. His wife, who survives him, is a sister of Bishop and Lieut. Gen. Leonidas Polk, of the confederate army, who was killed in front of Atlanta. Mr. Raynor was wealthy before the war, owning an extensive plantation in Mississippi and a large number of slaves. It is related that soon after his inauguration, President Garfield was importuned to remove Raynor to make room for somebody who coveted the place. "No," said the president. "I used to read Raynor's speeches when I was a young man at college, and I was charmed with the eloquence. Now, in the mutation of events, I am president and he is poor, holding a subordinate treasury position. He shall not be removed from the office while I am president."

Hon. A. W. HOSTETTER'S STOMACH BITTERS

The want of a reliable diuretic which, while acting as a stimulant of the kidneys, neither excites nor irritates them, was long since supplied by Hostetter's Stomach Bitters. This fine medicine exerts the requisite degree of stimulation upon these organs, without producing irritation, and is, therefore, far better adapted for the purpose than unmedicated excitants often resorted to. Dyspepsia, fever and ague, and kindred diseases, are all cured by it. For sale by all Druggists and Dealers generally.

CANCER

The experience in the treatment of Cancer with Swift's Specific (S. S. S.) would seem to warrant us in saying that it will cure this much dreaded scourge. Persons so afflicted are invited to correspond with us.

I believe Swift's Specific has saved my life. I had virtually lost use of the upper part of my body and my arms from the poisonous effects of a large cancer on my neck, from which I had suffered for 20 years. S. S. S. has relieved me of all soreness, and the poison is being forced out of my system. I will soon be well. W. R. ROBISON, Davisboro, Ga.

Two months ago my attention was called to the case of a woman afflicted with a cancer on her shoulder at least 5 inches in circumference, angry, painful, and giving the patient no rest day or night for 6 months. I obtained a supply of Swift's Specific for her. She has taken 5 bottles, and the ulcer is entirely healed up, only a very small scab remaining and her health is better than for 5 years past; seems to be perfectly cured. REV. JESSE H. CAMPBELL, Columbus, Ga.

I have seen remarkable results from use of Swift's Specific on a cancer. A young man near here has been afflicted five years with the most angry looking eating cancer I ever saw, and was nearly dead. The first bottle made a wonderful change, and after five bottles were taken, he is nearly or quite well. It is truly wonderful. M. F. CRUMLEY, M. D., Oglethorpe, Ga.

Thousands Hastened to their Graves!

Relying on testimonials written in vivid glowing language of some miraculous cures made by some largely puffed up doctor er patent medicine has hastened thousands to their graves believing in their almost insane faith that the same miracle will be performed on them, and that these testimonials make the cures, while the so called medicine is all the time hastening them to their grave. We have avoided publishing testimonials, as they do not make the cures, although we have

THOUSANDS UPON THOUSANDS

of them, of the most wonderful cures, voluntarily sent us. It is our medicine Hop Bitter's that makes the cures. It has never failed and never can. We will give reference to any one for any disease similar to their own if desired, or will refer to any neighbor, as there is not a neighborhood in the known world but can show its cures by Hop Bitters.

A LOSING JOKE.

A prominent physician of Pittsburgh said to a lady patient who was complaining of her continued ill health, and of his inability to cure her, jokingly said: "Try Hop Bitters!" The lady took it in earnest and used the Bitters, from which she obtained permanent health. She now laughs at the doctor for his joke, but he is not so well pleased with it, as it cost him a good patient.

FEES OF DOCTORS.

The fee of doctors is an item that very many persons are interested in. We believe the schedule for visits is $3.00, which would tax a man confined to his bed for a year, and in need of a daily visit, over $1,000 a year for medical attendance alone! And one single bottle of Hop Bitters taken in time would save the $1,000 and all the year's sickness.

A LADY'S WISH.

"Oh, how I do wish my skin was as clear and soft as yours," said a lady to her friend. "You can easily make it so," answered the friend. "How?" inquired the first lady. "By using Hop Bitters that makes pure, rich blood and blooming health. It did it for me, as you observe."

GIVEN UP BY THE DOCTORS.

"Is it possible that Mr. Godfrey is up and at work, and cured by so simple a remedy?"

"I assure you it is true that he is entirely cured, and with nothing but Hop Bitters, and only ten days ago his doctors gave him up and said he must die, from Kidney and Liver trouble!"
