A Sure Shot.
 Toronto Globe: "I understand that you have fought a duel with your old enemy Snarley?" "Yes." "What was the result?" "Why, when they brought the pistols on to the field I discovered they were some of my own make. I manufacture them for boys, you know—advertise them in the juvenile and religious journals and sell them cheap." "Yes." "Well, I refused to take either, but magnanimously permitted Snarley to keep them both." "Well?" "That was all; he fell dead at the first fire."

Felt Grateful.
 "Doctor, I want you to do something for me. My nerves are shattered completely. I am not able to eat anything and I sleep very little at night. What would you advise me to do?"
 "What has brought about this condition?"
 "Drinking too much, I'm afraid."
 "Well, I would advise you to give up drinking."
 "H'm! that idea never occurred to me. What's your charge for the advice?"
 "Nothing."
 "Nothing? I am much obliged to you, doctor. Let's go and take something."

The Pioneer Press says: Nobody ever made more and bitterer enemies than Wilbur F. Storey, but the bitterest of the lot may well be satisfied with the retribution that has overtaken him. A helpless and friendless paralytic, surrounded by a horde of greedy lawyers and heirs expectant, the journal which was his only pride and interest in life sunk beneath the respect of the profession and the public, and the property it represents snatched at by dishonest employes and schemed for by grasping relatives—the end of his life challenges the pity he neither asked nor gave in his days of life and power.

Fargo Republican: O'Donovan Rossa is going to support Blaine. The O'Dynamites accession to the list of Blaine's supporters ought to make the democratic managers quake. Rossa's "bar!" is the most dangerous yet introduced in American politics.

The Bismarck Tribune says Deacon Plummer has received a telegram from the chairman of the republican state committee of Maine, asking him to take the stump for Blaine and Logan in the Pine Tree state. The colonel expects to accept the invitation and will leave for the field about the first of August.

ADVICE TO MOTHERS.
 Are you disturbed at night and broken of your rest by a sick child suffering or crying with pain of cutting teeth? If so, send at once and get a bottle of MRS. WINSLOW'S SOOTHING SYRUP FOR CHILDREN TEETHING. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers, there is no mistake about it. It cures dysentery and diarrhoea, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. MRS. WINSLOW'S SOOTHING SYRUP FOR CHILDREN TEETHING is pleasant to the taste, and is the prescription of one of the oldest and best female nurses and physicians in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle.

To Whom It May Concern,
 Hereafter the Cooper Townsite company will not be responsible for anything purchased on their account except by written order signed by one of the company.
 COOPER TOWNSITE COMPANY,
