Continued from page 1.
for the heame—they knew what they were up against. The combine couldn't find Anderson and did not score for several innings when they crossed the rubber in the 8th and that ended their score getting. The champions batted poor Maloney unmercifully and got 8 hits in two innings. He was then sent to the hay field where he got a chance to rest, Judas Iscariot Owens was sent in to finish the game and the boys got 6 more runs before the wind up, the game ending 9 to 2 in our favor. Billy Anderson pitched the finest game of the season and he was ably assisted behind the bat by Jake Lem. The members of the team batted fine and their work all through could not be improved. It was a great day for the local fans and the cup still remains with us. We are glad that we had Billy Anderson and that fifteen cents bought up Owens. Billy is worth ten such men at any old time. We wonder what Hope will do with Judas now that they have him.
AFTERNOON.

The free for all was the first race up. Three entries, Charley Fewell, Country Girl and Comeo, the former won first money with Comeo second. Time: 2:21; 2:18; 2:22.
A special race was pulled off with three entries, Wyandotte, Minnie E and Lady Strasbury, Wyandotte won the race, which was the best of the three days. Minnie E was second. Time: 2:24; 2:24; 2:21; 2:23; 2:32.
The three galtd race was won by Butler & Upton's horse.

Crackers.
Wellington Irysh umpired all the games and gave universal satisfaction. Not a kick coming from anybody. Something unusual in so many games. Mr. Irysh is a fine umpire.

Messrs. McDonald and Barelay of Valley City, gave an exhibition race with their Oldsmobiles.

Jack Brown was the busiest man in the state but he got there just the same. Jack makes a good secretary.

Bert Shaw and C. O. Wheeler: "Tell us not in mournful numbers, base ball is an empty dream, for from the weight of our pocketbooks, it is certainly the real thing."

The fair association officers worked hard to make it a success and succeeded.

Jack Flynn and Tom Warner don't wear any hats since the races—Wyandotte won.

The band boys did themselves proud. They are crackerjacks.

Editor Rearick found time to get into that last game in addition to getting out a nice daily.

When Cooperstown does anything she does it right.

A nice rain now would be just right. Sanborn, Dazey, Valley City, Hope, Finley, Hannaford, McHenry, Binford and other towns all celebrated here.

Editor Pepper was over from Hope but done his rooting on the wrong side. Never mind old man, you have Owens.

Saves a Woman's Life.
To have given up would have meant death for Mrs. Lois Cragg, of Dorchester, Mass. For years she had endured untold misery from a severe lung trouble and obstinate cough. "Often," she writes, "I could scarcely breathe and sometimes could not speak. All doctors and remedies failed till I used Dr. King's New Discovery for Consumption and I was completely cured." Sufferers from Coughs, Colds, Throat and Lung Trouble need this grand remedy, for it never disappoints. Cure is guaranteed by Bateman & Co. Price 50c and \$1. Trial bottles free.

As delicate as the organ of vision is that of hearing, and as careful a watch should be kept upon it, so that no loss of that more exquisite sense may occur.
When several blind persons were questioned as to which they would rather do without, their visual organs or those of hearing, the majority declared in favor of hearing. We feel a compassion for the blind; for the deaf we are not often sympathetic. The spectacle of a sightless individual touches us to tears; that of one who cannot hear provokes almost a feeling of drollery. Yet no doubt the loss of one organ is as pathetic a thing as the loss of the other.
Many erroneous ideas still exist in the public mind that interfere seriously with the work of the skilled aurist. Too many people think that the ear is so delicate an organ that nothing whatever can be done to alleviate any distress arising therein and allow a trivial disorder that might be rectified by an aurist to bring about a case of partial deafness that settles into permanency.
