Look Pleasant, Please.

Photographer, C. C. Harlan, of Ea-
ton, O., can do so now, though for
years he couldn't, because he suffered
untold agony from the worst form of
indigestion. All physicians and
medicines failed to help him till he
tried Electric Bitters which worked
such wonders for him that he declares
they are a godsend to sufferers from
dyspepsia and stomach troubles. Un-
rivaled for diseases of the stomach,
liver and kidneys, they build up and
give new life to the whole system.
Try them. Only 50c. Guaranteed by
Bateman & Co., druggists.

CONSTITUTIONAL AMENDMENTS.

The following proposed amendments to the Constitu-
tion of North Dakota, having passed the Seventh Legis-
lative Assembly, will be submitted to the Eighth Legis-
lative Assembly for approval or rejection:

Proposed Constitutional Amendment. Proposed Constitutional Amendment.

That subdivision 8 of Section 215, of
the Constitution of the State of North
Dakota be amended so as to read as
follows:

Subdivision 8. A state hospital for
the insane at the City of Jamestown,
in the county of Stutsman. And the
legislative assembly shall appropriate
twenty thousand acres of the grant of
lands made by the act of Congress
entitled "Other Educational and
Charitable Institutions" to the bene-
fit and for the endowment of said insti-
tution, and there shall be located at
or near the City of Grafton, in the
county of Walsh, an institution for
the feeble minded, on the grounds
purchased by the Secretary of the In-
terior for a penitentiary building.

Proposed Constitutional Amendment.

That Section 176 of the Constitution
of the State of North Dakota be
amended, by adding thereto and mak-
ing part thereof, the following clause:
The legislative assembly may fur-
ther provide that grain grown within
the state and held therein in elevators,
warehouses and granaries may be
taxed at fixed rate.

Proposed Constitutional Amendment.

Subdivision five, Section two hun-
dred and fifteen (215), of Article nine-
teen (19), of the Constitution of the
State of North Dakota, is amended so
as to read as follows:

Fifth. The school for the deaf and
dumb of North Dakota, at the city of
Devils Lake, in the county of Ramsey.

The Source of Complexion.

According to Dr. York, offspring al-
ways takes the complexion from the
father; hence, if a father of a negro
baby has any white blood in his veins,
the child at birth will be nearly as
white as a Caucasian. On the other
hand, the child of a white mother and
a black father will, after a month's
time, be nearly as black as the full
blooded negro—London Standard.

How Like a Man!
Mrs. Nocknoodle—Oh, Norris, if you
would always be as good and gentle
and kind as you are at this moment,
how happy we might be!

Mr. Nocknoodle (losing his temper
instantly and bellowing at the top of
his voice)—Do you mean to say, mad-
am, that I am not always as good and
kind as I am at this moment?—Chi-
cago Tribune.

Hope For the Future.
"Come, come!" cried the candidate's
friend, "don't be disheartened so
easily."
"But I'm sure to be beaten," replied
the candidate dismally.

"Nonsense! Let your motto be, 'He
who runs and fights away, may live
to run another day.'—Catholic Stand-
ard and Times.

All Were Saved.

"For years I suffered such untold
misery from bronchitis," writes J. H.
Johnston, of Broughton, Ga., "that
often I was unable to work. Then
when everything else failed, I was
wholly cured by Dr. King's New Dis-
covery for Consumption. My wife
suffered intensely from Asthma, till it
cured her, and all our experience goes
to show it is the best croup medicine
in the world." A trial will convince
you it's unrivaled for throat and lung
diseases. Guaranteed bottles 50c and
\$1. Trial bottles free as Bateman's.
