**THE ONE PRICE DEPARTMENT STORE.**

**WHAT DO YOU THINK ABOUT IT?**

Mere talk will not win the trade these days. There must be something to back up the private promises or people become disgusted with a merchants pretensions. The great success of this store has been achieved by selling reliable goods at fair prices and telling the people about it in a plain way. We find that we are winning friends and customers every day by this policy. This season has brought the greatest trade in our history convincing us that our policy is the correct one.
