We have been requested to say to the ladies who are now busy making up their social dates for the coming winter, that the gentlemen can find time from the strenuous affairs of business life to attend afternoon social functions and for the ladies not to leave them off the map with the idea that they could not attend in the afternoons. We have been requested to state this after a meeting of the married men held a few days ago at which meeting the habit of giving strictly ladies parties was discussed and unanimously condemned.

The baker at the Carrington & Casey farms recently baked some of the macaroni wheat flour into loaves of bread and samples of the bread have been received by Mr. Casey and others here and eaten. The bread is of a fine white color, with a pleasing taste and there is little doubt but that the bread could easily become a staple article of food. It is said to be very nutritious, and to contain more of the best food qualities than other varieties of wheat grown in this region.—Alert.

Messrs. Geo. Webster and E. L. Lowmiller of Eagle Grove, Iowa, last week purchased from Hammer & Condy the south half of 11-145-60. These gentlemen had been up into the Canadian northwest and had looked that country over very thoroughly and carefully and then came back to Griggs county and purchased a half section. This action on their part is to our mind sufficient evidence that they think this country is the best. Mr. Lowmiller is the gentleman who purchased the Washburn farm a year ago and he evidently has faith in North Dakota or he would not be investing his money so liberally. Mr. Washburn has rented his old farm for another year.

Mrs. B. B. Brown entertained a number of the town ladies at her pleasant farm home last Saturday afternoon, the gathering being in honor of her daughter, Mrs. Clara Schulz, who is at home for a visit. The luncheon served was par excellence—everybody who has ever partaken of Mrs. Brown's culinary art can testify to its being the best ever—was greatly enjoyed and some of the ladies haven't got through talking about it yet. The ride into the country was enjoyed, the entertainment afforded by the Brown family was enjoyed and the ladies report one of the nicest gatherings of the season.

Married

At the residence of the bride's parents, at high noon, September 2nd, 1903, Miss Minnie Newberry to Mr. Geo. E. Macconnell, Rev. W. H. Gimblett officiating.

The ceremony was performed on the lawn under the trees and under a natural canopy decorated profusely with beautiful flowers, the Reverend William H. Gimblett, uncle of the bride, performed the ceremony and united together the lives of these young people. The ring ceremony was used and it was very impressive. The wedding party was preceded from the house to the grove by the minister, then came five little bridesmaids, Misses Fannie Newberry, Gracie Hall, Phyllis and Beth Bowden and Nellie Hazard then the bride and groom. After the ceremony congratulations were tendered by all present and then the wedding party sat down to a very fine dinner. At the wedding in addition to the bride's relatives were the mother of the groom, Mrs. D. E. Stowe, of Browndale, Minn., and a brother, Mr. W. G. Macconnell, of Crookston, Minn., and numerous intimate friends of the young people here. The presents received were numerous and costly. The happy pair start out with very bright prospects and it is hoped that the radiance of a blissful life will shine brighter and brighter as the years go by.

The bride is the daughter of Mr. and Mrs. George Newberry. She is so well known all over Griggs county that it is hardly necessary for the Courier to introduce her to the public. For several years she was one of the teachers of this county. She has grown up from childhood right here in Cooperstown and has been identified in social and church affairs. She has been organist of the M. E. church for several years and has been indefatigable in her labors in church and Sunday school work. The groom is the secretary of the Crane-Johnson Co., having joined this firm last spring. He came to Cooperstown about two years ago and his strict attention to business and courteous dealings with all has placed him as a junior partner in one of the oldest lumber firms in the state. He is a strictly up right young gentleman, has a fine character in every way and is bound to succeed. The Courier joins with a host of friends in wishing them a long and happy life. The newly wedded couple left on the afternoon train for the twin cities where they will spend a brief honeymoon. They expect to settle down to housekeeping in their own home on Burrell avenue in a few weeks.
