The Hannaford and Cooperstown basket ball teams will play a game at the high school grounds in this city next Saturday afternoon the game to be called at 2:15. Prof. Loreaux has been to some expense in getting up this game—the expenses of the visitors, etc., and has fixed the moderate price of 10 and 5c for the tickets. When the children drop in to see you buy a ticket and help out the girls. A dime or a nickel does not amount to much-just one smoke less for the men folks. Buy a ticket and go see the game.

Col. E. C. Butler dropped into the sanctum last Saturday and remarked that the farmers elevator at Blabon was a howling success and doing a big business. The farmers of that vicinity organized a company and built a farmers elevator. It has a capacity of 30,-000 bushels and is thoroughly equipped in every particular. It has two sets (f scales fourteen horse power gasoline engine, and is a modern grain elevator. The cost of the structure complete. was \$4,200, all paid for, and those interested seem to think that it is money well invested.

Rev. and Mrs. L P. Broad, of Boston Mass., who are traveling in the interests of the home missionary society of the Congregational church, visited Cooperstown last Sunday and spoke morning and evening. Mr. Broad spoke in behalf of the needs of the society and the greater need for more interest in that work all over the country. Mrs Broad gave her experiences in missionary fields all over the United States and Territories and showed the many hardships endured by the noble men and women who went into "darkened" places to preach the gospel. The visit of Mr. and Mrs. Broad was greatly enjoyed by all who heard them.

Hill Widlund met with a very severe accident about five o'clock last Monday afternoon that may lay him up for some time. He and another man were raising some machinery in the large warehouse of Hammer & Condy, using the elevator to accomplish the work. The elevator was set going too swift and in some manuer the large weight which weighs about 500 pounds, went over too far and dropped, striking Mr. Widlund across the back. At first it was thought that he was partially paralyzed but we are informed that he is getting along all right and will probably be all right in a few days. He was taken to the city hospital for treatment, Dr. Kerr being called in.
