Miss Rose Hennessy, well known as a poetess and elocutionist, of Lexington, Ky., tells how she was cured of uterine inflammation and ovaritis by the use of Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—For years I enjoyed the best of health and thought that I would always do so. I attended parties and receptions thinly clad, and would be suddenly chilled, but I did not think of the results. I caught a bad cold eighteen months ago while menstruating, and this caused inflammation of the womb and congested ovaries. I suffered excruciating pains and kept getting worse. My attention was called to your Vegetable Compound and the wonderful cures it had performed, and I made up my mind to try it for two months and see what it would do for me. Within one month I felt much better, and at the close of the second I was entirely well.

"I have advised a number of my lady friends to use it, and all express themselves as well satisfied with the results as I was."—MISS ROSE NORA HENNESSY, 410 S. Broadway, Lexington, Ky. — \$5000 forfeit if original of above letter proving genuineness cannot be produced.

Critic—I must congratulate you on the villain of your play. He leaves the impression of having been drawn from life.  
 Author—He was. I may say to you that he is an exact portrait of myself as my wife depicts me in our hours of ease.—Town and Country.
