WM. HOWDEN AND FAMILY.

Quite a delegation of base ball fans went to Hannaford last Tuesday afternoon to witness a ball game between the Binford and Hannaford teams. It was a very cold day and not very good for good ball nevertheless for the first five innings a good exhibition of the national game was put up and it was anybody's game up to that time with the percentage a little in favor of Hannaford, the score being then 3 to 2. After that a succession of errors let Binford get in a number of scores and the game ended 11 to 3 in favor of Binford. There will be some good games this year as both clubs are getting into shape to put up a good article of ball. The new pitcher of the Binford nine is a good one and can line a ball over the pan in good shape. His name is Sherer, so just keep your eye on him. Billy Sinclair is on the slab for Hannaford and bends them over better than ever.
