A game of base ball was played Tuesday night between Cooperstown and the Mudhens, the score being too large to get on paper. The game was for a championship cup and with the assistance of the umpire, Fred Beier, the regulars won out. It was a great game and created more fun than any game ever played on the home diamond. The side that could yell the loudest got the umpire's decision, and the regulars being able to make the most noise won out, and hold the cup—a tin quart affair manufactured by Matt. Evenson.
