**FIFTH JUDICIAL DISTRICT.**

For Judge—  
E. T. BURKE, Barnes County

The democrats have nominated Judge Glaspell as a candidate for judge for the fifth district, and the campaign gives promise of being a warm number.

Judge Parker the democratic nominee for the presidency, takes a swim in the Hudson river every morning. The judge is foxy. He is getting himself in shape for a trip up Salt River in November.

The death of Judge Cochrane removes from the supreme bench of North Dakota an able jurist, a distinguished citizen and a large hearted gentleman. His death is deeply regretted by the legal fraternity of this state.

The county convention made no mistake in electing Hon. Nels Hemmingsen as its candidate for the legislature. The gentleman was nominated two years ago but was eched out of it by the Finley combination. By all rights he was entitled to a nomination this time and got it. He will make a splendid representative and will undoubtedly be elected.

The nomination of Seval Friswold for county treasurer and of O. M. Westley for register of deeds, are certainly first class selections and ought to win out. Mr. Friswold made the run two years ago against big odds and should make a winning fight this year. Mr. Westley is a popular farmer from the southeast part of the county, is well educated and competent, popular in his own locality and when the votes are counted in November a majority of the votes will be put down after his name.

The nomination of J. L. Houghton for sheriff came to that gentleman unsolicited and is there fore a case of the office seeking the man. Mr. Houghton has been a resident of Griggs county for over twenty years and has never been a candidate for office on the county ticket. He is well qualified for the position for which he has been nominated and will have the united support of his party. The COURIER believes that Mr. Houghton is the strongest candidate that could have been nominated and we confidently believe that he will be elected.

## Strong Ticket

The Republicans of Griggs County Met Last Monday and Nominated a Ticket.

It Is Regarded As The Best Ticket Put Up By The Party In Years And Should Win.

The republican party of Griggs county endorse and approve the principles of their party as expressed in the declaration of principles adopted at the national convention at Chicago, and the recent state convention at Grand Forks.

We are proud of the fact that a former citizen of our state has been nominated for president of the United States. We believe in Theo. Roosevelt. We have unbounded faith in his courage and confidence in his honest integrity of purpose, and see in him one of the strongest defenders of the rights of the people that this nation has had since Lincoln.

We pledge the nominees of this convention if elected, to a faithful and honest performance of their duties.

We are in favor of prohibition and the strict execution and enforcement of the statutory prohibitory laws, and are opposed to any repeal or change in said laws that is not approved by the prohibition sentiment of the state.

### A Very Close Call.

"I stuck to my engine, although every joint ached and every nerve was racked with pain," writes C. W. Bellamy, a locomotive fireman, of Burlington, Iowa. "I was weak and pale, without any appetite and all run down. As I was about to give up, I got a bottle of Electric Bitters, and after taking it, I felt a well as I ever did in my life." Weak, sickly, run down people always gain new life, strength and vigor from their use. Try them. Satisfaction guaranteed by H. H. Bateman. Price 50 cents.

Report was adopted. The convention then proceeded to nominate a ticket, the following being nominated:

**ALBERT LARSON,**

Cooperstown, North Dakota.

The COURIER is pleased at the renomination of Lieut-Gov. David Bartlett for a third term—a distinction rarely accorded anyone in state politics in North Dakota. Mr. Bartlett was satisfactory to all parties and had easy sailing. Griggs county is to be congratulated in having its favorite son endorsed again by the republican state convention and his many friends here rejoice that his administration has been so satisfactory to all concerned.
