State Bank of Cooperstown

Capital \$25,000
Surplus and Profits \$6,000

Cooperstown, N. D. Aug. 18, '04.

Dear Sir:
Why should you deposit your funds in the bank? Because it has the available safeguards against loss, such as a burglar proof safe in a fire-proof vault and insurance against robbery. The bank is also protected by surety bonds of its officers and employees. If you keep your money on your person or in your house you invite personal danger as well as financial loss. The State Bank of Cooperstown wishes hereby to remind you that it would like to have your business, be it large or small. We have an office for the use of our customers and friends and a cordial invitation is extended to you to call.

Yours Truly,
State Bank of Cooperstown.

Attorney A. M. Baldwin and Miss Hazel Hartman returned yesterday from a trip to the St. Louis fair.

Mr. and Mrs. E. F. Tallmadge, of West Groton, N. Y., father and mother of C. E. Tallmadge of the State Bank, arrived in Cooperstown yesterday and will remain for a few days looking after interests here.

Ed. Carnahan who has been holding down a chair in S. N. Hall's barber shop, has rented a shop at Dazey and left Monday for that place. Ed. is not only a good barber but he is a very congenial fellow and will undoubtedly do well at Dazey.

H. P. Hammer received a message last Saturday morning from Hatton stating that Nels Luckason, brother of Arne had been killed the day previous through a bridge accident. No particulars were given and it is presumed that he went through a bridge with a threshing rig.

Henry Nelson, who has been attending to the front end of E. E. Downe's meat market for a long time, will quit that institution September 1st and will go onto a farm in Minnesota. Henry is a good butcher and the patrons of the meat market will be sorry to see him leave.

Special Music Was Greatly Enjoyed.

Last evening the congregation of the Congregational church enjoyed a special musical program in connection with the regular service. Mr. Brownell sang a very pleasing solo and the choir rendered several very beautiful anthems. Mr. Shaw's sermon was one of the most interesting that he has preached since he has filled the pulpit. It was on the temperance question and had for its subject, "The Model Saloon." He spoke at length upon the example that Bishop Potter has set for the church in giving his sanction to such a project. His talk was appreciated by the entire congregation which packed the church.—Crookston Daily Times.

Truth to Tell

There are no other milk cans made that can equal in wearing qualities the genuine

BUHL CANS

They are tinned to stay tinned, and put together to stand years of hard service. Other cans crack easily, become dented, and being highly tinned soon rust and go to pieces. Not so with the "Buhl Factory," "Improved Elgin" and "Genuine Iowa." They will outlast any other cans on the market, and are thoroughly and quickly cleaned. Remember, the Buhl is the only can in the world that is made with the Buhl "Victor" Can Brand and the Buhl "Victor" Round Handle. As there are many inferior imitations of this can, we stamp all ours with the Buhl Can Trade Mark. Look for it. Sold by all live dealers. Ask about them, or write us direct.
