

For Thirty Days.

Commencing Saturday, Sept. 24th and winding up at midnight, October 22d. We Do the Battle of Our Liver to unload this big merchandise stock that will wake up the people from all parts of the country.

# The Third Week Is Here

Our Work is getting Greater, Our Efforts are getting Stronger. Our Lights are burning Brighter and the Bargains are getting More and More.

And Fast Passing Into History. The Work is Going on Like Chain Lightning. The Very City is Awake, and the Walls are Shaking from center to circumference, in the Eyes of the Other Fellow.

He never saw the like; he can't understand why the crowds all center at one spot in this city. He never dreamed but what he was the big bee of the town. He thought he was the whole cheese, but he has found out there are others, and more to follow. THE SALE IS GOING ON; it is going without a break. They tried to break through the lines, but found it a pretty hard thing to do. C. T. Whidden has made the prices, and sent word to the farmer and the workingman and they responded nobly to the call. He is not deceiving; we never practice it in our business, and we are not going to practice it today.

## We Had Over \$40,000 Worth of Goods

that we wanted to sell to the people, and we sent word to all of them. We did not pick out the chosen few, and how well we are disposing of them we leave to one and all, and we do not believe there is a man, woman or child within the borders of this county but will vouch for it that the people are centering at C. T. WHIDDEN'S, the bargain spot of this city. They are buying, they are not just visiting and looking around but they are taking away bundles and arms full. They are asking their neighbors to help carry their loads. The delivery wagon are busy; in fact, whichever way you look, up or down the streets, you will see bundles marked from the big store owned and controlled by C. T. WHIDDEN.

Come, gather in some of the big bargains that only await your coming. We sold more

### Table Linens and Napkins

in the last three weeks that we ever sold in a year before in our lives, and we sold them at but little more than the cost of oil cloth elsewhere. We have all kinds. We have the white, the brown, the red check and the blue check, the red stripe and the blue stripe; in fact we have any and all colors you want. If you haven't been here and loaded up with

### Towels and Crash

it is a certainty you want to come and look the situation over, as you never had an opportunity to pick Toweling and Crash at the prices we are making on it, during this Sale.

### All the Gloves, Hosiery and Underwear

are going out like chain lightning. SEEING IS BELIEVING.—The world loves a man for what he does, and not what he says, and they appreciate him much more when what he puts in print, he delivers to the people. Any item you find advertised, you will be able to come here and get it, if you want it. We don't stop half way when giving the people bargains. WITH NEW METHODS AND NEW WAYS AND NEW PRICES, we are going to make this store the penny saving store, as well as the dollar saving store for all the people. We are just the plain, common kind of people ourselves, moving along, doing the best we can, inviting you in, trying to treat you right when you are here, asking you to come back again and just make our store your home.

### The Clothing Department.

We are still hammering away in the Clothing Department, and every man, woman and child in this city, in this county, we believe, is now talking for C. T. Whidden the bargain giver of this country. They know the prices here, they know the treatment they got, and they know the quality of the goods. They know they never had the opportunity of buying anything better. They know they are getting the newest that comes from the mills. They know our Clothing

is up to-date, perfect fitters, where taste and skill are required to make them, as we do not purchase anything here that goes through the sweat shops of New York and down in the New England States, we buy them where expert tailors do the work; you get the benefit of our knowledge of buying and the maker's judgment in making. When you buy of C. T. Whidden whether it is for your self or the boys, here you can buy what you will not be ashamed of when you go out in society.

### The Little Wares

Notions, Hosiery, Handkerchiefs, are all moving out with lightning rapidity, and the SILK SALE has eclipsed all former events in this big store. Silk here cost but little more than others get for cotton. It is pretty plain talk, but it is cold facts.

### Shoes!

### Shoes!

### Shoes!

are something that should attract your attention. We have often said, you stand in Shoes over half of your life. We believe you know it. Then you want something that is serviceable, durable, and you want to get them at a reliable institution, where their guarantee is good to you. We have got the water proof kind, we have got the dress-up kind, and you will buy any pair in this house for less money by \$1.00 to \$3.00 than you ever bought Shoes in this town or any surrounding town. It is Shoe Day down here every day until the midnight hours of Oct. 22, 1904. No matter what you want in Shoes, you now have the opportunity of buying them at prices that would absolutely make the sheriff ashamed if he were in charge.

### The Sheeting

we are selling, the 9-4 and 10-4 kind, made by Mr. Pepperell and a few other gentlemen from away down east, you buy here at from 10 to 25 per cent. less than you have been paying for them before. The LL Muslin, all unbleached Muslin, stacks of Bleached Muslin, a yard wide, here cost about what the other fellow charges you for 2/3 of a yard wide goods elsewhere. No matter what you want, whether it is

a small item or whether it is a large one, if you will come down here and look over our institution, you will find them.

10 YARDS OF THE BEST CALICO for 10c with every purchase of \$5.00 or over throughout this entire big store. 10 SPOOLS OF THE BEST MACHINE THREAD FOR 10c with every purchase of \$5.00 or over, and to make matters worse, 20 POUNDS OF THE BEST GRANULATED SUGAR FOR ONE DOLLAR; on all purchases amounting to \$5.00 or over throughout this big store. We are talking loud; we've got nothing but bargains. Still talking business—THE GROCERY BUSINESS—just sawing wood—not saying much—not talking loud—just doing business. Still piling out more Sugar for one dollar than any man in this country. Giving them 38 inches to the yard in the Dry Goods Department and 16 ounces to the pound in the grocery department, that is a certainty.

IT'S UP TO YOU—Will you come and partake of the many thousands of bargains that still only await your coming. No matter what you want that is kept in a Clothing Store; no matter what you want that is kept in a Dry Goods Store or Shoe Store, or any kind of a store, it is a certainty that you can come down here and save 50 to 100 per cent. on almost every item in this house. Few times on earth do you have the opportunity of going in and buying at prices such as have been made here for the past fifteen days and will be made until the final wind-up of this Sale.

We believe by this time you have heard of it, or been here and got some bargains. We believe you will be back and get some more of them, and if you have not been here, you are making arrangements to come and help us make the LAST DAYS OF THIS SALE the greatest of them all. We are shouting out loud; we are talking from the shoulder; we are talking to get the dollar, at the same time we are talking to give you more for you dollar than any other man ever gave you in this city.

Will you be with us? Come, join the procession and get a part of the many bargains awaiting here for you, and at prices that will never again be quoted on such quality of goods in this city. FOR THE THIRD TIME, WE BID YOU WELCOME.

The crowds are growing Greater each and every day for the simple reason that we are piling out odds and ends wherever they occur and putting the price of destruction on every article.
