JIMESON & OLSON,

The COURIER has been dining on bear meat this week, presented to him by Lyman Lewis. Lyman has the nerve to tell us that he not only killed the bear this meat was taken from but that he killed lots of 'em so of course we shall have to believe him although we are somewhat leery of bear yarns.

We have improved farms for sale. FIRST NATIONAL BANK

The Cooperstown High School basket ball team met the Valley City Normal team on the gridiron last Saturday afternoon at this place and went down to defeat by a score of 13 to 10 after one of the hottest and most closely contested games played on these grounds. The Valley City girls had no clinch on the game at any time and Cooperstown had a chance a dozen times to win through fouls but poor throwing for the basket enabled the visitors to win after a hard fight.

Girl Wanted—at once—for general housework. Apply to Mrs. Will H. Carleton.

**Vote for Frank Gladstone for states attorney.**

Last Tuesday night our people had the pleasure of listening to that comical genius Hon. W. I. Nolan of Minneapolis, who presented a double bill to a big audience, one part of the bill being to render a few humorous selections and the other part to talk politics from a republican standpoint, and he carried out both parts of the program in good shape. The audience was kept in a roar of laughter most of the time while in between licks he nailed a few good points for the republican party. The meeting was a very enjoyable affair and everybody went home well pleased.

**Vote for Oscar D. Purinton for clerk of court.**

### "Ghosts."

Mr. Sanford Dodge presents Laura Frankensfield and company in the great Norwegian play "Ghosts." This is Henrik Ibsen's great masterpiece and the people of Cooperstown will doubtless give them a packed house tonight.

In marking your ballot this fall don't forget that the X is to be made after the name instead of in front viz:

R. M. COWEN : X

And by the way why not give the old reliable Robert M. Cowen a vote for county auditor. A temperance man, thoroughly honest and reliable and what is more competent.

Frank Haskell returned to his home at Centralia, Wash., Monday. He was accompanied by his father and mother, Capt. and Mrs. A. Haskell, Miss Mary Pike, Mrs. Haskell's sister, and Mr. and Mrs. J. A. Moffatt, all of whom have decided to locate in the state of Washington and will settle at Centralia, Wash. for the present. The Haskell family is one of the old pioneer families of Griggs county coming here in the early eighties. They have won for themselves many friends in Cooperstown and through the country who are sorry to lose them as citizens, but who join in wishing them abundant prosperity and good luck in their new home on the Pacific Coast.

**Vote for John L. Houghton for sheriff.**

Dr. Rose, resident dentist, Cooperstown, N. D., can be found in his office from now on until further notice. Office in Syverson's new building, upstairs.

Hon. Siver Serumgard, candidate for attorney general on the democratic ticket, spoke for his side of the question at the Opera house last Thursday evening to a good sized crowd. As a republican the COURIER could not very well be expected to say that his speech was correct, because we don't believe it was, at the same time he said many things that were all right and some that were not. The band played a few selections on the street prior to the meeting and there was a tinge of sadness in the selections rendered no doubt brought out by the thought that it was blowing for a lost cause. Mr. Serumgard used to be an old resident of this place and was very much pleased at being able to greet old friends again after an absence of twelve years.

Call at R. S. Lunde's office for farm loans and insurance.

Lieut. Gov. Bartlett may well feel proud of his success at the St. Louis World's Fair as North Dakota came out on top of the heap when the awards were handed out. North Dakota got more than twice the number of grand prizes than any other state exhibiting in the agricultural building, getting eleven grand prizes. North Dakota got a grand prize for its exhibit as a whole a distinction not accorded any other northwestern state. The state also got more gold medals than any other state in proportion to entries made. Mr. Bartlett and our state commission are to be congratulated on their success. The kickers have taken to the woods long ago.

### "Ghosts."

Do not fail to see the great Norwegian play as presented by Laura Frankensfield and company tonight—under management of Sanford Dodge. This is the theatrical event of the season. The company comes here from Jamestown and is highly recommended. Be sure and see them.

### A Startling Test.

To save a life, Dr. T. G. Merritt, of No. Mehoopany, Pa., made a startling test resulting in a wonderful cure. He writes, a patient was attacked with violent hemorrhages caused by ulceration of the stomach. I had often found Electric Bitters excellent for acute stomach and liver troubles so I prescribed them. The patient gained from the first, and has not had an attack in 14 months." Electric Bitters are positively guaranteed for Dyspepsia, Indigestion, Constipation and Kidney troubles. Try them. Only 50c at H. H. Bateman's.

Expectations as to the wheat crop ran high during early fall—then were dashed to the ground as it were—now we find that returns are quite good after all, and feel thankful for the result. The future is always uncertain so far as financial returns are concerned. It is well to have something put away to meet emergencies. Put your reserve in the bank where it is well guarded and will cause you less anxiety than if you had it sewed in a mattress. THE STATE BANK will take care of your savings, large or small, and will pay you interest on time deposits. It is also well provided with funds for loans on approved paper.

Frank Kingsley met with the loss of the middle finger of his left hand last week. He stuck his hand into a fanning mill to pull out some hay and put his hand in a little too far. The machinery chewed up his finger necessitating amputation which was done by Dr. Westley.

E. W. Everson, of Hannaford, had the misfortune to dislocate a shoulder bone the other day the result of a runaway. He hitched up a green horse that was not used to the harness and the animal ran away. Dr. Bergstrom attended Mr. Everson's wants and he is getting along nicely.

Somebody went into E. M. Ayrea's barn a few days ago and stole one of his buggy wheels necessitating his sending to the factory for a new one. This sort of business is dead wrong and no punishment is too severe—even hanging—for a sneak thief who will steal another man's property.

**Vote for John L. Houghton for sheriff.**

A reception was tendered to Rev. V. H. and Mrs. Ruring at the home of Mr. and Mrs. Maynard Crane last Thursday evening, at which time between sixty and seventy of the members and congregation of the Congregational church assembled to enjoy a few hours of social pleasure with Mr. and Mrs. Ruring who are about to leave town. The program furnished was of a literary character and was very enjoyable indeed and at its conclusion a very nice supper was served. Rev. V. H. Ruring has been pastor of the Congregational church at this place for over three years and is one of the best sermonizers we have ever had here. Wherever he locates he will be followed by the best wishes of his former church people and friends at Cooperstown.
