COOPERSTOWN, GRIGGS CO., N. D., THURSDAY NOVEMBER 10, 1904.

\$1.50 PER ANNUM

THE ONE PRICE DEPARTMENT STORE.

THE GROWTH OF THIS BUSINESS IS DUE TO OUR BIG VALUES. . .

We do not attempt or expect to win or hold patronage on any other basis than the most goods, of the right quality for the least money. This is the one overshadowing element in the success of this business. We quote low prices and offer exceptional values in season.

Our October Sale was a great success and we have decided to continue this sale during November as long as supply lasts, with the exception of Arbuckles Coffee which will be 7 pounds for \$1.00

Clothing Department.

Mens' Clothing is only one department here, therefore we look to this line for only a portion of our profits. This being so we can sell at close prices, and we do.

Also we look carefully to the quality of every suit and overcoat before giving it a place in our stock.

Fur Goods.

We handle the Lampher Skinner & Co's. Furs, Ladies and Mens' Fur Coats. Boas and Muffs. Call and get our prices before buying elsewhere.

Ladies Skirts.

We will give 20 per cent. discount on all Ladies Tailor Made Skirts for the next 30 days.

Coats & Jackets.

There are four important factors in the values of a jacket—style, fit, material, tailoring. If any of these are lacking it spoils the garment for people who are particular about their appearance. Ours is the celebrated Palmer garment which in itself is a guarantee of excellence.

A Startling Test.

To save a life, Dr. T. G. Merritt, of No. Mehoopany, Pa., made a startling test resulting in a wonderful cure. He writes, a patient was attacked with violent hemorrhages caused by ulceration of the stomach. I had often found Electric Bitters excellent for acute stomach and liver troubles so I prescribed them. The patient gained from the first, and has not had an attack in 14 months." Electric Bitters are positively guaranteed for Dyspepsia, Indigestion, Constipation and Kidney troubles. Try them. A Sure Thing.

It is said that nothing is sure except death and taxes, but that is not altogether true. Dr. King's New Discovery for Consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. VanMetre of Shepherdstown, W. Va., says "I had a severe case of bronchitis and for a year tried everything I heard of, but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely. It's infallible for Croup, Whooping Cough, Grip, Pneumonia and Consumption. Try it. It's guaranteed by H. H. Bateman, Druggist. Trial bottles free. Regular sizes 50c, \$1.00.
