Xmas Cards, Fancy Albums and Work Boxes and all kinds of Holiday Goods at Jimeson & Olson's.

The local management of the Opera House takes great pleasure in announcing the appearance of Mr. Wm. V. Mong supported by the Powell Portello Co. for two nights commencing Wed. Dec. 14. This attraction, if reports are true from towns where they have been, will be the banner event of the season. Mr. Mong, in the character of the Old Inventor, in the piece of that name, carries his audience along with him through the full gamut of human emotions. Laughter and tears follow each other in rapid succession as you watch this pathetic old man endeavoring with all his feeble strength to avenge the wrongs of his daughter who has been lead astray by the son of the man he has made rich with his wonderful inventions. Mr. Mong's wonderful climax is reached in the third act and invariably this actor is forced to acknowledge several curtain calls. A beautiful story, is told through the four acts of the drama; and the comedy is side-splitting. Those who witness this performance will be more than repaid, they will be convinced that one half of the world knows not how the other half lives. We predict a big business for this company during their visit here.

Driven to Desperation.

Living at an out of the way place, remote from civilization, a family is often driven to desperation in case of accident, resulting in Burns, Cuts, Wounds, Ulcers, etc. Lay in a supply of Bucklen's Arnica Salve. It's the best on earth. 25c at Bateman's drug store.

Worst of all Experiences.

Can anything be worse than to feel that every minute will be your last? Such was the experience of Mrs. S. H. Newson, Decatur, Ala. "For three years" she writes, "I endured insufferable pain from indigestion, stomach and bowel trouble. Death seemed inevitable when doctors and all remedies failed. At length I was induced to try Electric Bitters and the result was miraculous. I improved at once and now I'm completely recovered. For Liver, Kidney, Stomach and Bowel troubles Electric Bitters is the only medicine. Only 50c. It's guaranteed by H. H. Bateman, druggist."

Pupils Final Examination.

The next regular final pupils' examination will be held at the court house in Cooperstown and such other places in the county as may hereafter be designated Thursday and Friday, Dec. 15 and 16, 1904.

Applicants will provide themselves with pen and ink. Paper will be furnished.

That Throbbing Headache.

Would quickly leave you if you used Dr. King's New Life Pills. Thousands of sufferers have proved their matchless merit for sick and nervous headaches. They make pure blood and build up your health. Only 25 cents, money back if not cured. Sold by H. H. Bateman, druggist.

Married.

At the home of the bride's father Mr. August Steinborn, in Griggs County, on December 8th, 1904, by Rev. Oscar D. Purinton, Miss Mable Steinborn to Mr. John Edward Wells. The bride is the youngest of three daughters of Mr. and Mrs. Steinborn and is well known to the readers of the Courier. Mr. Wells was born in England, has lived in Wisconsin for several years and came to Helena township in this county about a year ago. The newly married couple will make their home for the present with the bride's parents.

Startling Evidence.

Fresh testimony in great quantity is constantly coming in, declaring Dr. King's New Discovery for consumption, coughs and colds to be unequalled. A recent expression from T. J. McFarland, Bentonsville, Va., serves as example. He writes; "I had Bronchitis for three years and doctored all the time without being benefitted. Then I began taking Dr. King's New Discovery and a few bottles wholly cured me." Equally effective in curing all lung and throat troubles, consumption, pneumonia and grip. Guaranteed by H. H. Bateman, druggist. Trial bottles free, regular sizes 50c and \$1.00.

Legislative Proceedings.

The coming session of the legislature promises to be an exceedingly interesting one, and beyond the election of the United States senator the voters will desire to keep posted regarding all proposed laws or changes in present laws and how the members stand on all questions. The Daily Tribune, of Bismarck, will have special reporters in each house and in the lobby and readers of that paper will get all the news—more than can possibly be obtained elsewhere. The paper will be sent from now until the end of the session for \$1—costs no more to begin now than later on. Send orders to The Tribune, Bismarck, N. D.
