**Incredible Brutality**

It would have been incredible brutality if Chas. F. Lemberrger, of Syracuse, N. Y., had not done the best he could for his suffering son. "My boy," he says, "cut a fearful gash over his eye, so I applied Bucklen's Arnica Salve, which quickly healed it and saved his eye." Good for burns and ulcers too. Only 25c at H. H. Bateman's drug store.

**THE STATE FAIR.**

The legislature has finally settled the state fair matter by locating it every other year at Grand Forks and Fargo. This is a very easy way of settling a nasty fight between the two cities but we don't believe it is a good thing to put the fair on wheels. This district was in favor of Fargo because it is the better and easier place for the people to get at from from this part of the state. Now that the matter is settled we hope that both Fargo and Grand Forks will give the state a fair to be proud of. We have had enough bronco busting exhibitions.

**New Egg Factory.**

Dot Moffat, who is at Centralia, Wash., likes the climate very much and is putting a little spare North Dakota energy into that burg. He has found time aside from his contracting and building to go into the poultry business and has started a pretty

good egg factory. He has a couple of incubators as well as a few choice hens and between the two he is busier than a cranberry merchant. The hens out there are laying overtime now and the picture we present shows Dot carrying away the hen fruit, while the festive hens are coming and going in a steady stream. Eggs are worth 18c a dozen there now and he expects to supply the market with eggs and poultry right along.

**Strikes Hidden Rocks.**

When your ship of health strikes the hidden rocks of Consumption, Pneumonia, etc., you are lost, if you don't get help from Dr. King's New Discovery for Consumption. J. W. McKinnon, of Talladega Springs, Ala., writes: "I had been very ill with Pneumonia, under the care of two doctors, but was getting no better when I began to take Dr. King's New Discovery. The first dose gave relief, and one bottle cured me." Sure cure for sore throat, bronchitis, coughs and colds. Guaranteed at H. H. Bateman's drug store, price 50c and \$1.00. Trial bottle free.
