New Ruling By Judge Pollock.

In denying a motion for a new trial in the case of Schlosser vs, Moore recently, Judge Pollock gave an opinion on an important point of law that should be of great interest to farmers and merchants in the state, especially if the supreme court should sustain Judge Pollock,

The case was tried at Sherbrooke at the last term of court and this morning Judge Pollock took up the was to foreclose a seed lien on a crop of wheat, flax and barley, all of which land. No flax was raised and it was place in which he casually resides. contended that the lien would attach to the wheat and barley to pay the be sworn to as being true and accurthat the lien could only attach to the wheat and barley for the price of the from July 10, the secretary of state is

No. 1, Gilbert C. Lee, No. 2, Amund flax seed since no flax was raised.

The motion for a new trial was preliminary to an appeal to the supreme court. While the amount involved in the case is only about \$100 the point involved is of such importance to farmers, merchants and grain in the state library. men that the caoe will be contested to the limit.

Kids Will Help.

Tiffin, O., March 23.-April 15 is to be a general house cleaning day for Tiffin. The board of service has set aside that day, when all yards, cellars, streets, alleys and every conceivable place where dirt may lurk, are to be cleaned up. In this task the 1,500 children of the public schools are to assist. The idea originated with Superintendent Krout.

A grapevine telegram to the Courier says that George VonBlon, of Coopertown, will help in the good work. He will have charge of the first brigade under General Kroutavitch. When George returns he can start operations in his own back yard under Gen. Goffatelephone avitch.

The Weed Law

Weeds Cut Down.

session of the legislature, is one that Record says: provides for the cutting of weeds of every description along public high- acre if the road comes within one grounds about our public institutions ways. The law, which goes into ef- mile of their land, 75 cents if within be further adorned with forest growths fect July 1, provides that weeds of two miles, 60 cents if within three that in the passing years shall be a every description along the public miles, 50 cents if within four miles, continuing source of benefit and dehighways shall be cut for a distance extending at least sixteen feet from the center of the road on each side ranged this way because the route the grateful praise of coming generawhere necessary or possible. Such weeds shall be cut not earlier than July 20 and not later than August 1 of each year and said work shall be paid for out of the road fund the same as any other road work, provided that, if the owner of the adjoining premises shall cut the weeds required to be cut, he shall be credited on his road taxes with the cost of cutting the weeds, said costs to be determinby the road overseer.

All overseers shall file their bill for roadwork with the board of township supervisors in organized township ality if Chas. F. Lemberrger, of and with the board of county com- Syracuse, N. Y., had not done the
