By the Court, WILL H. CARLETON, Judge of the County Court. Dated the 10th day of April, A. D. 1935. 4-13-16

Would Make Sure About the Soap.

A little boy who had been blowing bubbles all the morning, tiring of play and suddenly growing serious, said, "Read me that thory about heaven; it th th gloriouth."

"I will," said the mother, "but first tell me, did you take the soap out of the water?" "Oh, yes; I'm pretty thure I did." The mother read the description of the beautiful city, the streets of gold, the gates of pearl. He listened with delight, but when she came to the words, "No one can enter there who loveth or maketh a lie," bounding up, he said, "I gueth I'll go and thoub about that thorp!" - New York Observer.

Already Supplied. A Swedish girl just arrived from the old country attended evening service at a Duluth church. The minister, seeing she was a stranger, shook hands with her at the close of the meeting and said he would find pleasure in calling upon her soon, whereupon the girl, blushing, hung her head and bashfully murmured, "Thank you, but Ay have a feila."

For Amateur Thespians. Knox-I hear you're getting up an amateur theatrical club. Woolly-Yes, and now we're looking for a good motto for the club. What would you suggest? Knox-What's the matter with "Think twice before you act?" - Philadelphia Press.

Far, Near, and Everywhere Progressive Dairymen are Using UNITED STATES SEPARATORS

for they have proven the U. S. the surest and simplest money maker for the farm. Its simple bowl, operated by strong gearing entirely enclosed in a substantial frame, is easy to turn and gets all the cream-holds world's record for clean skimming. Notice the low supply can.

There are other advantages in using a U. S. aside from its wonderfully clean skimming, that are told in our handsome booklet, "The Dairy." Send for it immediately; it's free.

Are you thinking about the HARVEST?

The Science of Advertising is advancing with rapid strides. Big business houses, as well as small, appreciating its great value; make of it a distinct department placed in charge of the brightest men obtainable.

These men are no longer contented with ordinary type display; but demand special illustrations and embellishments; these the printer must be able to supply AND WE CAN, or the trade will go elsewhere.

The example here and in our previous papers go to show how matter can be written up to an illustration and how much such illustrations attract the eye.

If you want to reap a good harvest, and rake in the business that is your due, don't cling to obsolete methods.

New type and new decorative material furnish the best whetstone for your scythe.
